

## AN INVITATION TO PRAYER

PASTOR TIMOTHY GREEN

We began the first 21 days of 2018 with a special emphasis on prayer and fasting. Many of you participated in this focused time and I know that you are better because of it. However, prayer and fasting isn't just something that we do to start the year, these two biblical practices are something that should be a regular part of our lives.

I am writing today to invite you to be a part of our prayer times before our regular services each week. We meet for prayer at 8:00 Sunday morning before our first service and 6:00 Wednesday evening before our midweek service. This is more than one person praying in the same room, at the same time. We each find us a place to pray and we pray.

We pray for God's will to be done in our service.

We pray for God's anointing to be on the worship team as they lead us in worship.

We pray for God's anointing to be on the speaker, so that they will be used by God to bring us the Word that we need to hear.

We pray for God to bless the teachers who are teaching the individual classes.

We pray that God would bless every person who comes through our doors.

We pray for revival, not only here in our church, but in every church in our community and around the world.

We pray for every pastor, every evangelist, every missionary, and every person who is doing what God has called them to do to help win souls.

We pray for every home, every marriage, and every relationship, that God would do what is needed in every situation.

We pray for healing for those who are sick, those who are troubled and those who have been broken by sin.

Another one of my prayers is that the day will come whenever the sounds coming from the prayer room will be louder than the sounds coming from the foyer.

Will you consider joining us for prayer before each service?
