

BLESSED IS THE NATION WHOSE GOD IS THE LORD

PASTOR TIMOTHY GREEN

Ps 33:12 Blessed is the nation whose God is the LORD: and the people whom he hath chosen for his own inheritance.

I don't have to tell you that America is in a mess. A bigger mess than it has ever been in my lifetime.

In a few days, the American people will decide who our next president will be.

As Christians, we have a responsibility to vote. As Christians, we have a responsibility to vote on Christian principles.

We shouldn't vote on the personality that we like best, our vote should be cast for those who will lead our country based on Christian principles.

The vote of every person who calls themselves a Christian should reflect the teachings of God's word.

Abraham Lincoln once said, "My concern is not whether or not God is on my side; my greatest concern is to be on God's side, for God is always right."

Government is man's best attempt to govern himself.

It is tempting for people who have no religious foundation to put their hopes in the government and in politicians. That is a huge mistake!

It is not God's will that we be looking to our government to provide for us what we need. Our focus is to be on Him and to stay on Him!

Man doesn't have the answers that our world needs. Government is not the answer to our world's problems. God is the One who has the answers!

But in order for God to help our world, our world has to let Him. God has given us a free will and if we choose to push God out of our lives and out of our homes and out of our schools and out of our courtrooms and out of the governor's mansion and out of the Whitehouse, God will leave and we will be left facing the consequences.

The reason America is in the condition that it is in today is because America has turned its back on God.

If we want to be a nation that is blessed, then God must be our Lord!
