

## FULL TIME MINISTRY

PASTOR TIMOTHY GREEN

Do you believe in the truth of God's word? Do you consider yourself a Christian? If you answered yes to these two questions, then you are called to full time ministry.

You don't have to be a preacher or be on a church staff, if you have been saved and believe in the truth of Scripture, then you are called to do a work for God.

1 Cor 6:19-20 You do not belong to yourself, for God bought you with a high price. NLT

Paul said in Gal 2:20 that "It is no longer I who live, but Christ lives in me."

So since God bought us, we belong to Him. We are not our own. We don't live for ourselves, we live for Him. It's no longer about us and our agenda and our desires or needs. Our lives are to be lived for the glory of God.

Your job is your mission field. I can't reach the people you can reach. Chances are, nobody else can either. God put you where you are for a reason and a purpose and that reason is for more than just a paycheck. God wants to use you to win souls.

Being a soul winner should be our full time job. Every person we meet is somebody who needs to know Jesus. If we don't introduce them to Him, they might not ever get to know Him.

You don't have to be an ordained minister. You don't have to have a seminary degree. You don't have to have 20 years experience and have to have the entire Bible memorized.

Jesus was a carpenter. Paul was a tent maker. They were men who changed their world.

God wants to use you to change your world. Start where you are. Look around you and see the people that God has placed in your life. Chances are, many of them don't have a real personal relationship with Jesus.

Imagine what could happen, if everyday Christians, working everyday jobs, rubbing shoulders with everyday people, all shared the extraordinary message of Jesus Christ.

See yourself as being involved in full time ministry and let's change the world, one person at a time.
