

## THE REASON FOR THE SEASON-ING

PASTOR TIMOTHY GREEN

Most cooks use seasoning on their food. The reason is because seasoning enhances the flavor of the food.

What is true of food, is also true of people. The people who “taste” the best are those with some seasoning. Those who have allowed God to add some flavor to their lives.

Rom 8:28-29 And we know that all things work together for good to them that love God, to them who are the called according to his purpose. For whom he did foreknow, he also did predestinate to be conformed to the image of his Son.

God wants to conform us, change us, make us in His image and the only way that He can accomplish that, is to add some seasoning.

We must remember that we are called according to His purpose. What is His purpose? To make us more like Jesus. The way that takes places is through seasoning.

Seasoning isn't His purpose. He doesn't rub salt into our wounds to hurt us. He's trying to preserve us. He's trying to make us better. He's trying to make us tender and people with flavor, who are profitable to Him and His cause.

That's the reason for the season. God is at work in our lives and I'm glad that He is!

When you find yourself in the middle of a “season”, you must remember the reason. God isn't trying to destroy you; He's trying to perfect you.

Eccl 3:1 To every thing there is a season, and a time to every purpose under the heaven:
