

WALKING ON WATER

PASTOR TIMOTHY GREEN

The Bible is a book that talks a lot about walking. The word “walk” is used 212 different times. The word “walked” is used 122 times. The word “walking” occurs 30 times.

One of the greatest walks we read about in the Bible is the walk that Peter took, on top of the water.

How would you like to walk on water? That sounds pretty good doesn't it, but before that can happen, you've got to first be willing to get out of the boat!

There's a lot more people who want to experience the thrill of walking on water, than there is who are willing to leave the safety of the ship.

God has called every one of us to live a life of faith. To walk by faith. Are you willing to do that? Are you willing to walk by faith? Are you willing to leave the safety of the boat?

God has a habit of asking people to do things that are scary to them. God wants each of us to deal with the fear issues in our lives.

What are you afraid of? What boat is God calling you out of? What are you afraid to leave behind?

Do you want to walk on water? Do you want to be obedient to the voice of the Lord? Do you want to know the joy of pleasing Him? Then you must be willing to step out. You must be willing to leave the safety of the boat. You must be willing to turn a deaf ear to everybody else in the boat with you. You must focus your attention on the One walking on the water and not become distracted by the wind and the waves.

A great, supernatural experience, awaits all those who are willing to obey the voice of God.
